

Gary Allen - SSKA Founder

Passed Away November 10, 2025

Sadly we have lost another founder of SSKA.

Gary Allen, whom many of you know and love, bid farewell to this world on November 10th at 5pm.

Gary's partner Glynis has posted a lovely tribute on Gary's FB page. We'll miss you Gary. Your kindness, friendship and skilled leadership. Our hearts go out to Glynis and all of Gary's family.
